CAMPUS INNOVATORS

Creator event by The Startup Society

Campus Innovators is your platform to pitch bold solutions for campus challenges, aligned with the UN Sustainable Development Goals (SDGs). In this fast-paced competition, participants will pitch their ideas in 5 minutes to a panel of industry experts, showcasing innovation, feasibility, and real-world impact. From tech breakthroughs to sustainability initiatives to social innovations, the event empowers participants to reimagine campus life and spark meaningful change.

INSTRUCTIONS:

- **Open to all students**
- **Participation can be individual or in a team (2-3 per team).**
- **All ideas must be original.**
- **A participant cannot be a member of more than one team.**
- **Round 1: Teams draw an SDG chit, identify a related campus problem, and submit a problem statement.**
- **Round 2: Selected teams present a 5-minute pitch (max 7 slides) followed by 3 minutes of Q&A.**
- **Time limits for pitching and Q&A will be strictly enforced.**
- **Participants should bring their own laptops (if required for the presentation) and any prototypes or visual aids for their pitch.**

Ideas will be evaluated based on innovation, feasibility, societal impact, scalability, and the clarity of your presentation.
