RAMAIAH UNIVERSITY OF APPLIED SCIENCES

ComputeX MATHEMATICS & COMPUTING

CODELOGIK

Creator event by ComputeX

This event challenges participants to solve coding problems rooted in core and advanced mathematics, bridging theoretical knowledge with real-world programming. By tackling diverse challenges, participants sharpen their analytical thinking, enhance algorithmic creativity, and develop efficient problem-solving strategies, making it a perfect blend of logic, math, and code.

INSTRUCTIONS:

- **Open to all students**
- **Participate solo or in teams of up to 3 members.**
- **Solo participation is also allowed.**
- **Participants must write code live during the event.**
- **No help from external sources is allowed.**
- **Participants are to carry their own laptops.**

Performance is evaluated on both open and hidden test cases, with marks awarded based on the number and difficulty of cases solved.

Compete in a stimulating environment that blends challenge with shared learning.

Faculty: Dr. Jyothi A P- 9686311475

Student: Umashankar - 89408 13666

Vaishnavi - 91488 24886
