RAMAIAH UNIVERSITY OF APPLIED SCIENCES

INSTITUTION'S INNOVATION COUNCIL (Ministry of Education Initiative)

DENT-TECH

Creator event by FDS-IIC

The Ramaiah Dent-Tech Poster Event is a platform for budding dental innovators to showcase creative, practical, and impactful ideas that address real-world challenges in dentistry. Through poster and model presentations, students will pitch solutions that combine scientific knowledge, innovation, and entrepreneurial spirit. This event not only highlights academic creativity but also encourages participants to translate their ideas into potential advancements in dental science and technology.

INSTRUCTIONS:

- Open to PG students
- Participate solo or in teams of up to 2
- All ideas must be original. Plagiarism will result in immediate disqualification.
- A participant cannot be a member of more than one team.
- Time limits for pitching and Q&A will be strictly enforced.
- The decision of the judges is final and binding.
- Dress Code: Business casual.
- Themes for Poster presentation with model display :
  - Technology in Dental Practice and Health
  - Material Sciences in Dentistry
  - AI/ML shaping the course of dentistry
  - Digital Dentistry

Entries will be evaluated based on innovation, feasibility, societal impact, scalability, and clarity of presentation.

Join us to witness the future of dentistry shaped by innovation, creativity, and impactful ideas.
