RAMAIAH UNIVERSITY OF APPLIED SCIENCES

RESEARCH PAPER PRESENTATION

Visionary Event by ISTE

Organizing Club: Indian Society for Technical Education (ISTE), RUAS

Event Description: The Research Paper Presentation competition provides a platform for students, researchers to present their original research work and innovative ideas before a panel of experts. This event encourages academic excellence, knowledge sharing, and critical discussions on cutting-edge technologies and interdisciplinary innovations. Participants will undergo abstract submission, followed by live presentations during the Tech Fest for the shortlisted participants.

Theme : Submissions are welcome across diverse domains including AI/ML, Cybersecurity, Robotics, Energy, Electrical, IoT, Biomedical, Engineering, and especially interdisciplinary projects that break boundaries.

Eligibility: Open to all students of Diploma, UG, PG, and Ph.D. from AICTE/UGC-approved institutions. Participation can be individual or in a group.

Event Format: The event is structured in two stages :

Stage 1 (Abstract Submission): Participants submit an abstract in the provided template including Title, Objective, Methodology, Key Findings, and Conclusion.

- Template for Stage 1 Submission : https://tinyurl.com/ISTE-Template
- Submission file naming format (PDF) : (Title-Team Leader Name) (Example : Quantum-Sara.pdf)
- Registration must be done through http://www.pravrutti.com website

NOTE : NO REGISTRATION FEE FOR STAGE 1

Stage 2 (Presentation Round): Selected participants will be notified and have to register themselves and present their work in-person. Each participant/group gets 7 minutes for presentation (PPT, max 12 slides including all) and 3 minutes for Q&A.

Evaluation Criteria:

- Originality & Innovation – 20 Marks
- Technical Content & Accuracy – 20 Marks
- Clarity of Presentation – 20 Marks
- Impact & Practical Relevance – 20 Marks
- Q&A Handling – 20 Marks

Total = 100 Marks
