RAMAIAH UNIVERSITY OF APPLIED SCIENCES

RULES FOR ROBOCLIMB

ELIGIBILITY

Open to Diploma, UG, PG & Ph.D. students

COMPETITION FORMAT

- Round 1: Submit Design Abstract
- Round 2: Robot Performance Test on Track

ROBOT SPECIFICATIONS

- Max 25 × 25 cm
- Weight < 3 kg
- Battery ≤ 12V
- Arduino Uno / Nano (mandatory)
- No ready-made chassis/models
- Wired / Wireless allowed
- Build & program during competition
- Bring your own laptops, tools & components

ARENA

- Track & obstacles revealed on competition day

OPERATIONAL RULES

- Must move on flat, inclined & rough terrain
- -5 marks for each touch
- Max 3 runs per team

JUDGING CRITERIA (100 MARKS)

- Innovation & Design – 20
- Mobility & Navigation – 30
- Robustness – 20
- Efficiency & Control – 20
- Teamwork – 10
- Penalty: -5 per touch

DISQUALIFICATION

- Exceeding size / power limits
- Unsafe operation
- Unsportsmanlike behavior
- Damaging arena / interfering with teams

GENERAL INSTRUCTIONS

- Report 1 hour before event
- Robot inspection mandatory
- Bring own batteries, chargers, spares
- Judges' decision is final

COORDINATORS :

Mr. Rahul - 7892024408
Ms. Trupti - 9380013688

Show your innovation. Conquer the terrain. Be the ROBOCLIMB Champion!
