RAMAIAH UNIVERSITY OF APPLIED SCIENCES

RUAS MATH CLUB

TECHNOMAZE

Creator event by Math club

Step into the world of logic, speed, and strategy with TechnoMaze—a one-of-a-kind digital maze challenge! Only the sharpest problem-solvers will advance through each level, and the event culminates when the first three teams reach the final destination in the correct order. Are you ready to outthink, outpace, and outlast the maze?

INSTRUCTIONS:

- Open to all students.
- Participate in teams of up to 3 members.
- Teams must bring fully charged laptops.
- Use of unauthorized tools or devices is prohibited.
- Misconduct, including network tampering or inter-team collaboration is not allowed.
- Use only one laptop connected to the event's local network.
- External internet access is strictly prohibited.

The competition concludes once three teams successfully navigate through all puzzles and access the final web page in the correct sequence. These teams will be ranked based on the order of completion.
