RAMAIAH UNIVERSITY OF APPLIED SCIENCES

CYNERGY CODING CLUB

TRIATHLON

Visionary Event by Cynergy

Organizing Club : Cynergy Coding Club (Dept. of Computer Science & Engineering)

Event Description : Triathlon is a three-round flagship event designed to test participants technical knowledge, problem-solving skills, and practical application of computer science concepts. The event begins with a quiz round that evaluates knowledge of programming, Computer Science fundamentals, and logical reasoning. The second-round shifts focus to hardware knowledge, where participants will engage in PC building and component identification tasks. The final round is a mini-Capture the Flag (CTF)-style challenge, where participants must apply their cybersecurity knowledge and problem-solving skills to hunt for hidden keys within a given system.

The objective is to provide a holistic challenge that combines theory, practical hardware skills, and cybersecurity awareness making it a true triathlon of tech.

Eligibility : Open to all students of Diploma, UG, PG from affiliated/recognized institutions. Participation in a team (maximum of 3 members per team).

Event Format:

Round 1 (Quiz)

- A computer science and coding quiz (MCQs). Top scorers advance to the next round.

Round 2 (PC Building)

- Participants will be engaging in a time bounded PC building challenge. Only the best performers qualify for the final round.

Round 3 (Mini-CTF)

- Finalists face cybersecurity-style puzzles and challenges in a simulated environment to uncover hidden keys. The participant with the highest score wins.

Evaluation Criteria:

Round 1: Quiz - 30 Marks

Round 2: PC Building - 30 Marks

Round 3: Mini CTF - 40 Marks

(Tie-breaker : Time taken in final round)

Guidelines :

- It is **mandatory** for everyone to carry a proper working device (phone / laptop) for Round 1.
- For Round 2, NO personal devices are allowed.
- For Round 3, PC will be provided, you are also more than welcome to you use your own laptops.

Registration will be conducted online through the Official Tech Fest website.

Awards & Recognition: Winners will receive official certificates and exciting cash prizes:

1st Place: ₹20,000
2nd Place: ₹15,000
3rd Place: ₹10,000
